EXPRESSION OF INTEREST FOR MAINTENANCE OF TECHNICAL POSITION INFRASTRUCTURE EQUIPMENT & ASSOCIATED TP EQUIPMENT AT VARIOUS LOCATIONS IN INDIA.

1.0 About BrahMos Aerospace:

BrahMos Aerospace Private Limited is a Joint Venture Company of DRDO, Ministry of Defence. We are inviting interests from firms to provide composite services towards the Maintenance of Technical Position Equipment and Operations and Maintenance of Technical Position Infrastructure Equipment. The locations as per the various regions of India are as follows:

Table – '1'

<u>SN</u>	<u>SECTOR</u>	<u>Delivery Location</u>
1	NORTHERN SECTOR	05 locations
2	WESTERN SECTOR	04 locations
3	NORTH EAST SECTOR	02 locations

The exact locations will be shared in due course of procurement process.

A. For Technical Position Infrastructure Equipment:

Table – '2'

<u>SI No</u>	<u>Equipment</u>
1	Building Management System (BMS) & Fire Alarm System (FAS)
2	Fire Hydrant System (FHS)
3	Electric Sub-System(Transformers, Air Circuit Breaker, Vacuum Circuit Breaker, LT Panel, APFC Panel, Package Sub Station)(ESS)
4	HVAC(Heating Ventilation and Air Conditioning System)
5	DG Sets
6	CCTV
7	OFC(Optical Fiber Cable) Network
8	Power Fencing
9	Earthing Pit

B. For Technical Position (TP) Equipment:

There are two categories of equipment which are to be covered under Comprehensive Maintenance:

Category – I: COTS Items including Material Handling Equipment, Test Gauges and Lifting and Mounting Systems, Electrical & Electronics Devices.

Category – II: Custom – Made Stationery and Mobile Material Handling Equipment which requires basic maintenance like Lubrication and Cleaning.

Note:

(a) Being a comprehensive Maintenance, Consumables required for this equipment also needs to be provisioned by the suppliers who intend taking up this work package.

(b) The Calibration of the devices (which are Electronics, Electrical and Mechanical Equipment also needs to be undertaken) as part of this package

(c) The detailed list will be shared with the firms during the presentation.

2.0 Procedure to be followed during the Award of Contract: The firms interested in undertaking the above activities will need to follow the following steps:

- (i) Send the Vendor Assessment Form to BAPL via e-mail
- (ii) Based on the Vendor Assessment, BAPL will invite all the prospective bidders to BAPL, New Delhi for a meeting (Being a sensitive Defence Location, the exact details of equipment will be made available during the meeting and subsequent RFP).
- (iii) Based on the Vendor Assessment by Company Officials, RFP will be issued to shortlisted firms.
- (iv) Based on participation during the bid process (Two Stage: Techno Commercial Bids and Price Bids), firms quoting will be invited for Technical and Commercial Evaluation. The Techno Commercial Evaluation will be carried out on the basis of Quality Cum Cost Basis.
- (v) Based on Technical and Commercial Evaluation, technically competent firms will be invited for Cost Negotiation Committee. The Price Bids will be opened in front of all the participating firms.
- (vi) The exact location of providing services will be disclosed during the presentation at a suitable date as per the Company to the shortlisted parties for provision of these services
- (vii) The Tender Document (RFP) will be uploaded on website after this process is complete for the sake of all participants. BrahMos Aerospace is free to invite more participants in case the response for this EoI is not sufficient. The interest shown for this EoI is not binding for not calling for more participation by the Company.

3.0 **Contact Persons for the Requirement:**

(a) Interested firms will send the Vendor Registration Cum Assessment Forms at the following Mail Id by 06 Jun 25.

contracts@brahmos.com

(b) A detailed presentation to the selected parties will be made at a pre – defined time to understand the exact nature and scope of work. Any technical queries may be addressed to the following officials:

For Technical Position Equipment:

General Manager (Product Support)

Phone: +91 11 422 85 238

Mail: psc@brahmos.com, ssk@brahmos.com

For Technical Position Infrastructure Equipment:

Chief General Manager (Infra & TP)

Mail: mksrivastava@brahmos.com

If required, the firms will be allowed to make visit to sites based on the convenience of BrahMos Aerospace Private Limited.

4.0 **Vendor Registration Cum Assessment:**

The Vendor Registration Cum Assessment Form is uploaded along with this Notice Inviting Pre – Qualification on our Website.

5.0 The **decision regarding the selection / rejection** will be at the sole discretion of **Procuring Entity** i.e. BrahMos Aerospace Private Limited. No representations regarding the selection criteria of the organisation will be entertained (As it is time loss for either side). However, equal opportunities will be made available to all interested parties.

6.0 The firms will be selected on the following criteria:

<u>SN</u>	<u>Selection Criteria</u>	<u>Applicability</u>
1	Experience of Previous Services	(1) Past experience Minimum two years' experience out of last three years (i.e. 2022-23, 2023-24 and 2024-25) for operations and maintenance of similar systems. (2) Firms are allowed to subcontract the activities to other parties wherever the technical know – how is involved. (3) Firms enlisted in the above must forward their Certificate of Enlistment along with the Vendor Registration cum Assessment Form.

<u>SN</u>	<u>Selection Criteria</u>	<u>Applicability</u>
